

## LEADER EXPERIENCE EXCHANGE: COOPERATION

**Date:** 3<sup>rd</sup> and 4<sup>th</sup> of March 2026

**Dual format:**

- In person: [La Farm Studio](#), [Real Sitio de San Ildefonso, Segovia](#).
- Online: Live streaming of the event will be available.

**Attendance:** Attendance at the conference is free of charge. Prior [registration is required](#).

The registration form includes a tab that allows it to be viewed in English and Spanish, helping to make the information clear and accessible to all participants.

**Language:** The conference will be held in Spanish, with simultaneous translation into English available during the first part. Likewise, for the afternoon session (Ágora cooperación LEADER), the organizers will support and facilitate communication between participants in both languages.

On the other hand, those who follow the conference through streaming on YouTube will be able to choose between two audio channels, allowing them to listen to the broadcast in Spanish or English, according to their preference.

### Context and objectives

Cooperation between [Local Action Groups \(LAGs\)](#) in Spain and Europe is part of the [LEADER approach](#) and aims to exchange experiences, good practices and knowledge, generating synergies that strengthen local capacities to address common challenges. In this way, [LEADER cooperation](#) helps local actors to boost the potential of their territories through dynamic networking.

In this sense, the PAC Network wishes to contribute to and promote such cooperation at national and European level through this conference, which has the following main objectives:

- To raise awareness of LEADER cooperation opportunities in the 2023-2027 programming period.
- To showcase the work of the Ministry of Agriculture, Fisheries and Food on the LEADER approach, and in particular inter-territorial LEADER cooperation.
- To disseminate the initiatives of the European CAP Network to strengthen networking among European LAGs.
- To present good practices in LEADER cooperation at the intraregional, inter-territorial and transnational levels.
- To promote the emergence of new LEADER cooperation projects, as well as the accession of new partners to cooperation projects in the initial or ongoing phase.

## Organized by

This conference is organised by the [Spanish CAP Network](#), which belongs to the Sub-Directorate General for Agricultural Policy Planning of the [Ministry of Agriculture, Fisheries and Food \(MAPA\)](#).

## Target audience

- Management and technical staff of Local Action Groups (LAGs).
- Regional and national LAG networks.
- LEADER management authorities and regional managers.
- Various MAPA units with responsibilities for LEADER.
- LAG representatives from other Member States.
- National and European CAP networks
- Other entities related to rural development or with an interest in the theme of the event.
